OBJECTIVE

College Graduated attentive sales data. Passionate about studying how to improve performance. Seeking to leverage Data Analytical Skills to improve corporate performance as a Data Analyst.

WORK EXPERIENCE

DIGIPODIUM

February 2024 - Ongoing Data Analyst Intern

📍 Hazratganj, Lucknow

PROJECT

Document Question Answering System (QUESTIFY)

Our project aims to simplify information retrieval from PDF documents. Using a user-friendly web app, users can upload PDFs and ask questions in everyday language. The system, powered by advanced NLP models like LLM and GPT, then analyzes the documents to provide precise answers quickly. This system revolutionizes how users access information, enhancing productivity across various fields.

FEB 2024: Ongoing
